CONSERVING VIRGINIA'S NATURAL & RECREATIONAL RESOURCES

**PLAN REVIEWER EROSION & SEDIMENT CONTROL
3rd Quarter 2004 Course Enrollment Form**

This two-day course (1.2 CEUs) is designed for persons who are currently reviewing and approving E&S plans. The course deals with reviewing the aspects of an acceptable plan. A portion of the class time is spent on reviewing erosion and sediment control plans and discussing good and bad points of each. A prerequisite to this course is the successful completion of the Basic E&S course, or pre-approval by DCR's Division of Soil and Water Conservation Training Coordinator.
